

GIFTS THAT MATTER

(\$ 7) - A SET OF SANDALS

☞ A set of sandals for a child of Angkor Charity Organization in Siem Reap.

(\$ 35) - WATER FILTER

☞ Funds one set of water filters to improve drinking water for daily-life basis

(\$25) - INFANT NUTRITION

☞ In an effort to offset the effects that a mother's poor diet has on a nursing baby, ACO works with the support of our donors to supply an Infant Nutritional Supplement to those families we come in contact with during the assessment process for receiving a well. This is a powdered formula that is not intended to replace nursing, but to supplement it and help the child receive a more balanced and enriched diet. For more information on Dumex products. A report from World Food Program on Cambodian *Children's Nutritional Status*.

(\$ 35) - SCHOOL UNIFORMS

☞ Two pairs of school uniforms for one child of Angkor Charity Organization per year.

(\$ 74) - SCHOOL SUPPLIES

☞ Get a child ready to attend their school with a backpack, school books, pens and more...etc.

(\$ 55) - SCHOOL WHEEL

☞ Bicycle isn't just fun for ACO kids – it is an important mode of transport to school. (It is often for an entire family too!)

(\$ 650) - RENOVATE A HOUSE

☞ Make a house safe to live in - focusing on water-proof roofs, building solid flooring and eradicating mosquitoes.

☞ Sponsor a child of Angkor Charity Organization (Food + Study + Hygiene...etc) per year.

\$ ____ GREATEST NEED

Can't decide on what to give? Then give to the area of ACO's most critical need - you decide how much to donate to where it is needed most.

Distribution of Gifts:

All gifts purchased via the 'Gifts that Matter' campaign will be distributed to children and families that ACO deem the "most in need".

Gifts cannot be purchased through the "Gifts that Matter" program for specific sponsor children. If a sponsor would like to purchase a gift specifically for their sponsor child, please contact us at (nutarth@yahoo.com), so that it can be monitored and processed.
